<b>West Hertfordshire</b>	527,000

Combined population sizes of PCTs will not always match the population sizes of SHAs due to differing boundary definitions.

Totals may not equal the sum of component parts due to rounding.

Population sizes are approximate.

Source – Population – Mid-2004 Resident Population Estimate (2001 Census Based), Office for National Statistics.

<sup>1</sup> Figures differ due to definition of the new Peterborough PCT being based on unitary authority boundaries, rather than those of the existing Peterborough PCTs.

<sup>2</sup> Figures differ due to definition of the new Cambridgeshire PCT being based on county boundaries, rather than those of the existing Cambridgeshire PCTs.

<sup>3</sup> Figures differ due to definition of the new West Essex PCT being based on local authority district council boundaries, rather than those of the existing PCTs.

<sup>4</sup> Figures differ due to definition of the new Mid Essex PCT being based on local authority district council boundaries, rather than those of the existing PCTs.
