REF: DCEC/PK/MARLIN

Dear Sir,

**Re: Marlin Square, Langley Road & Breakspeare Road, Abbots Langley
Prohibition of Waiting and Restricted Parking Order 2009**

On behalf of the residents of the above neighbourhood please find enclosed a petition against the proposed Prohibition of Waiting and Restricted Parking Order.

The petition contains 223 signatures, representing 142 households. The residents spoken to have expressed genuine concern that these proposals will have a detrimental effect.

Marlin Square has 54 properties. 48 of these households signed the petition. 2 households are understood to be currently vacant. As such:-

92.3% of the residents of Marlin Square object to the proposals.

3.8% (2 households) support the proposals.

1.9% (1 household) is undecided, whilst awaiting a response to a letter sent to the council.

1.9% (1 household), occupied by Parish Councillors, wish to remain neutral.

Surrounding roads, namely Langley Road, Breakspeare Road and Adrian Road also expressed strong views on the proposals (whether they are directly or indirectly affected due to the potential shunting effect).

Langley Road:- 21 out of 24 households were available for comment - all were against the proposal and signed the petition.

Breakspeare Road:- 28 households were available for comment and again all signed the petition. N.B. It was not possible to approach the entire road due to time constraints.

Adrian Road:- 44 households compiled their own petition (amalgamated).

We trust that this strong representation, together with individual letters sent directly to you, will result in the total abandonment of these unwelcome proposals.

Yours faithfully,

A handwritten signature in black ink, appearing to read "L Stewart".

THREE RIVERS D.C.
RECEIVED

I object to the proposed Three Rivers (Marlin Square, Langley - 3 MAR 2009
Road & Breakspere Road, Abbots Langley) (Prohibition of
waiting and restricted parking) Order 2009
