

URGENT REGISTER OF ELECTORS

Two registration forms have been delivered to your property, and a canvasser has called.

WE HAVE NOT RECEIVED YOUR FORM

You are **legally** required to return the voter registration form every year (even if there is no change). Please complete the enclosed form and post it back immediately. If there is no change, in order to stay on the Register and remain entitled to vote, you can use the telephone, internet or text options as outlined at the top of the form.
