Dear Ms May

**Three Rivers Development Management Policies: Modifications
Consultation**

Thank you for consulting English Heritage on the proposed modifications to the Development Management Policies DPD.

We note the changes proposed to policy DM3 relating to the historic environment. These are welcome.

In our letter dated 17 August 2012 we requested that the Council identify within the plan a positive strategy for the historic environment, in accordance with paragraph 126 of the National Planning Policy Framework. It would be appropriate to consider this further; if this cannot be achieved in the plan at this stage, perhaps a Supplementary Planning Document for the historic environment could assist in drawing together, and building on, relevant policy references.

Yours sincerely
