Modifications' consultation

Decision

Notice is given under article 16 of the Town and Country Planning (Development Management Procedure) (England) Order 2010 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

Following the hearing sessions that were held on the 12 and 13 March 2013 the Council is proposing some Main and Additional Modifications to the Development Management Policies LDD. The LDD contains a number of cross-references to the Regional Strategy for the East of England (The East of England Plan), principally setting out the regional context for District policies. Following the Government's revocation of the Strategy in January 2013 Three Rivers District Council deleted all references to it and these have been published as Additional Modifications to the LDD.

None of the Major or Minor Modifications published has any material impact on the policies of the County Council as highway and transport authority for the county of Hertfordshire.

Nick Gough
