Dear Dr Halls,

### **ELECTORAL REVIEW OF THREE RIVERS: FINAL RECOMMENDATIONS**

The Commission publishes its final recommendations on the future electoral arrangements for Three Rivers District Council today. The report and an interactive map of the final recommendations are available in the LGBCE consultation area, <http://consultation.lgbce.org.uk>. We have also arranged with your officers for hard copies of the report to be sent to the Council.

We have informed MPs and MEPs with constituency interests in the area, all parish and town councils, the police and crime commissioner for Hertfordshire and all respondents.

The Commission has now completed its review of Three Rivers. The changes proposed must now be implemented by order subject to Parliamentary scrutiny. A draft Order – the legal document which brings into force the recommendations – will be laid in Parliament. The draft Order will provide for new electoral arrangements for Three Rivers to be implemented at the local elections in 2014.

We would also like to invite you to participate in our online opinion survey. This survey seeks feedback on our review processes and procedures, in order to identify improvements that can be made. We would be grateful if you could spare some time to visit our website, at <http://www.lgbce.org.uk/about-us/lgbce-opinion-survey> to complete the survey.

If you require a paper copy of the survey please contact Heather Fuller on 020 7664 8534.

Finally, members of the Commission and staff wish to join me in thanking you and your colleagues for the co-operation and assistance that has been shown throughout the review. We are very grateful and wish you all the very best in the future.

Yours sincerely
