EXPLANATORY FOREWORD

1. Introduction

The purpose of the Statement of Accounts was to give information to interested parties on how the Joint Committee had used the resources available to it to provide services to Three Rivers and Watford councils. The Shared Services arrangement commenced on the 1 April 2009 for the provision of Finance, Human Resources, ICT and Revenues & Benefits services. From April 2014, the Governance arrangements for Shared Services has changed. A new agreement between Watford Borough Council and Three Rivers District Council has introduced a lead authority model.

This foreword gives a brief explanation of what is included within the Statement of Accounts, as well as providing a summary of the main financial results for 2013/14.

The Joint Committee were required to prepare 'group accounts' where there were significant interests in other organisations. A review was carried out and it was determined that no other organisations exist that would require group accounts to be prepared.

2. Accounting Framework

The *Code of Practice on Local Authority Accounting in the United Kingdom* defines the proper accounting practices for local authorities in England. The Code has been published by the Chartered Institute of Public Finance and Accountancy (CIPFA) based on International Financial Reporting Standards (IFRS). The Accounts and Audit Regulations (England) 2011 define the Three Rivers and Watford Shared Services Joint Committee as a Larger Relevant Body.

3. Changes in Functions

In May 2013, ICT Shared Services were outsourced to Capita Secure Information Solutions Limited.

4. Revenue Activities

Revenue Out-turn 2013/14

Revenue expenditure is the day-to-day expenditure incurred by the Councils to deliver shared services. Total revenue expenditure amounted to £7.43m. The Three Rivers and Watford Shared Services Joint Committee was not a separate legal entity and did not have capacity to enter into contracts of employment or contracts for goods and services. The Joint Committee had no employees, assets or liabilities - these were the responsibility of the constituent councils. Shared Services costs and incomes were reported separately to the Joint Committee for management, performance and accounting purposes.

The contract costs were frontloaded in 2013/14 to improve service levels. Over the five years of the contract for ICT, the councils will make overall savings.

For Revenues and Benefits, additional costs of £215k were incurred for agency staff to cover vacant posts, £135k to upgrade the Academy Software (New Burdens funding £73k received to offset against this cost) and £225k for printing and stationery, consultancy, licences, postage and legal fees due to increased demand on services.

EXPLANATORY FOREWORD

5. Future Revenue Expenditure & Its Funding

Expenditure on the services was under the control of the partner councils. The Joint Committee received quarterly financial and performance monitoring reports. Arrangements were in place to refer variances to the councils.

6. Governance

This Statement of Accounts was one way in which the Three Rivers and Watford Shared Services Joint Committee tried to demonstrate that it was making good use of public funds and providing value for money. The Councils were constantly looking to improve financial management and internal control within the Shared Services arrangement. The External Auditor carries out value for money reviews in partner councils as part of their reporting.

ANNUAL GOVERNANCE STATEMENT

1. Scope of Responsibility

The Three Rivers and Watford Shared Services Joint Committee was responsible for ensuring that its business was conducted in accordance with the law and proper standards, and that public money was safeguarded and properly accounted for, and used economically, efficiently and effectively. The Joint Committee also had a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.

In discharging this overall responsibility, the Joint Committee was responsible for putting in place proper arrangements for the governance of affairs, facilitating the effective exercise of its functions, and which includes arrangements for the management of risk.

Three Rivers District Council and Watford Borough Council have approved and adopted codes of corporate governance, which are consistent with the principles of the Chartered Institute of Public Finance and Accountancy (CIPFA) / Society of Local Authority Chief Executives (SOLACE) Framework 'Delivering Good Governance in Local Government'. Copies of both codes can be found on the websites:

for Three Rivers: <http://www.threerivers.gov.uk/Default.aspx/Web/CorporateGovernance>

for Watford: <http://www.watford.gov.uk/ccm/content/finance/local-code-of-corporate-governance.en>
or be obtained from the councils.

These statements explain how the Councils have complied with the Code and also meet the requirements of the Accounts and Audit Regulations 2011 in relation to the publication of a statement on internal control.

2. The Purpose of the Governance Framework

The governance framework comprises the systems and processes, and culture and values, by which the Joint Committee was directed and controlled and its activities through which it accounted to, engaged with and leads the community. It enabled the Joint Committee to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost-effective services.

The system of internal control was a significant part of that framework and was designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Joint Committee's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The governance frameworks described in the reports to Audit Committees for Three Rivers and for Watford have been in place at the Councils for the year ended 31 March 2014 and up to the date of approval of the statement of accounts.

3. The Governance Framework

The key elements of the systems and processes that comprise the Joint Committee's governance arrangements are:-

- Identifying and communicating the vision of the Shared Services Joint Committee's purpose and intended outcomes for citizens and service users.
- Reviewing the councils' vision and its implications for the governance arrangements of the Shared Services Joint Committee.
- Measuring the quality of services for users and ensuring they are delivered in accordance with the Joint Committee's objectives for ensuring they represent the best use of resources.
- Defining and documenting roles and responsibilities of the Joint Committee and officer functions with clear delegation arrangements and protocols for effective communication.
- Developing, communicating and embedding codes of conduct for standards of behaviour for members and staff.
- Reviewing and updating standing orders, standing financial instructions, a scheme of delegation and supporting procedure notes which clearly define how decisions are taken and the process and controls to manage risks.
- Undertaking the core functions of an audit committee as identified in CIPFA's Audit Committees – Practical Guidance for Local Authorities.
- Ensuring compliance with relevant laws and regulations, internal policies and procedures, and that expenditure is lawful.
- Whistle-blowing and arrangements for receiving and investigating complaints from the public.
- Identifying the development needs of members and senior officers.
- Establishing clear channels of communication with all sections of the community.
- Incorporating good governance arrangements in respect of partnerships.

4. Review of Effectiveness

The Joint Committee had responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of the executive managers who have responsibility for the development and maintenance of the governance environment, the Internal Auditor's annual report, and also by comments made by the external auditors and other review agencies and inspectorates.

The Councils have procedures in place to ensure the maintenance and review of the effectiveness of the governance frameworks which includes reports to and reviews by the following:-

- The Audit Committee of Three Rivers, the Audit Committee of Watford and the Standards Committee of each Council.
- Internal Audit and External Audit.
- Other review / assurance mechanisms.

NOTES TO THE CORE FINANCIAL STATEMENTS

1. Statement Of Accounting Policies

The Statement of Accounting Policies explains the basis for the recognition, measurement and disclosure of transactions and other events in the Accounts.

1.1 General Principles

The Statement of Accounts summarises the Joint Committee's transactions for the 2013/14 financial year and its position at the year-end of 31 March 2014. The Joint Committee is required to prepare an annual Statement of Accounts by The Accounts and Audit (England) Regulations 2011, which require these to be prepared in accordance with proper accounting practices. These practices primarily comprise the Code of Practice on Local Authority Accounting in the United Kingdom 2013/14 and the Service Reporting Code of Practice 2013/14, supported by International Financial Reporting Standards (IFRS). The accounting convention adopted in the Statement of Accounts is principally historical cost, modified by the revaluation of certain categories of non-current assets and financial instruments.

1.2 Debtors and Creditors, Income and Expenditure

The accounts of Shared Services are shown on an accruals basis in accordance with the Code of Practice. That is to say, actual expenditure and income incurred during the year is recorded in the accounts, rather than the cash sums paid or received. Where actual costs are not available, accruals are made on a best estimate basis.

1.3 Support Services

The policies adopted for Shared Services by Three Rivers and Watford Councils is to charge costs directly to partner councils.

1.4 Basis of Preparation

No separate accounting records were kept by the Shared Services Joint Committee. As a result the accounts have been prepared from the records maintained by Three Rivers District Council and Watford Borough Council.

1.5 Value Added Tax

Income and expenditure excludes any amounts related to VAT, as all VAT collected is payable to HM Revenues and Customs and all VAT paid is recoverable from them.

VAT has been included in the income and expenditure accounts only to the extent that it is irrecoverable.

NOTES TO THE CORE FINANCIAL STATEMENTS

2. Amounts Reported for Resource Allocation Decisions

The analysis of income and expenditure by service on the face of the Comprehensive Income and Expenditure Statement is that specified by the Best Value Accounting Code of Practice. However decisions about resource allocation are taken by the Joint Committee on the basis of budget reports analysed across services, as below:

2012/13 £000s	SERVICE AREA	2013/14 £000s
1,436	Information Technology	1,957
1,420	Finance	1,332

(6,736)	Total Funding	(7,434)
0	Net Expenditure Less Funding	0
0	Surplus/Deficit Shared Services	0

Reconciliation of Service Income and Expenditure to Cost of Services in the Comprehensive Income and Expenditure Statement

As the shared service accounts do not include any adjustments under Statute, the figures presented to the Joint Committee agree to those shown on the face of the Comprehensive Income and Expenditure Account, so no reconciliation of the figures is required.

3. Local Authorities Goods and Services Act 1970

The Shared Service provides HR support to the West Herts Crematorium Joint Committee.

NOTES TO THE CORE FINANCIAL STATEMENTS

4. Related Parties

The Shared Service is required to disclose material transactions with related parties - bodies or individuals that have the potential to control or influence the Joint Committee or to be controlled or influenced by the Joint Committee. Disclosure of these transactions in this Statement of Accounts allows the readers to assess the extent to which the Joint Committee might have been constrained in its ability to operate independently or might have secured the ability to limit another party's ability to bargain freely with the Joint Committee.

A related party transaction is the transfer of assets or liabilities or the performance of services by, to, or for a related party irrespective of whether a charge is made.

Related parties to the Joint Committee would include:

- ◆ central government;
- ◆ local authorities and other bodies precepting or levying demands on the council tax;
- ◆ its councillors;
- ◆ its chief officers; and
- ◆ its pension fund.

The Three Rivers and Watford Shared Services Joint Committee was established under the Local Government Act 1972 and the Local Government Act 2000. The Agreement between the two councils was to establish and facilitate the joint delivery of certain functions in accordance with the terms of the Agreement. The Joint Committee was empowered to arrange for the discharge of these functions. Three Rivers and Watford councils each nominated three Members with full voting rights to the Joint Committee.

INDEPENDENT AUDITOR'S REPORT AND CERTIFICATE

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THREE RIVERS AND WATFORD SHARED SERVICES JOINT COMMITTEE

Opinion on the Authority financial statements

We have audited the financial statements of Three Rivers and Watford Shared Services Joint Committee for the year ended 31 March 2014 under the Audit Commission Act 1998. The financial statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement and Collection Fund and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2013/14.

This report is made solely to the members of Three Rivers and Watford Shared Services Joint Committee in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 48 of the Statement of Responsibilities of Auditors and Audited Bodies published by the Audit Commission in March 2010. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's Members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Director of Finance and auditor

As explained more fully in the Statement of the Director of Finance Responsibilities, the Director of Finance is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Director of Finance and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the foreword to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on other matters

In our opinion, the information given in the explanatory foreword for the financial year for which the financial statements are prepared is consistent with the financial statements.

- we issue a report in the public interest under section 8 of the Audit Commission Act 1998;
- we designate under section 11 of the Audit Commission Act 1998 any recommendation as one that requires the Authority to consider it at a public meeting and to decide what action to take in response; or

We have nothing to report in these respects.

Conclusion on the Authority's arrangements for securing economy, efficiency and effectiveness in the use of resources

Respective responsibilities of the Authority and the auditor

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

We are required under Section 5 of the Audit Commission Act 1998 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the Audit Commission requires us to report to you our conclusion relating to proper arrangements, having regard to relevant criteria specified by the Audit Commission.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

INDEPENDENT AUDITOR'S REPORT AND CERTIFICATE

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our audit in accordance with the Code of Audit Practice, having regard to the guidance on the specified criteria, published by the Audit Commission in October 2013, as to whether the Authority has proper arrangements for:

- securing financial resilience; and
- challenging how it secures economy, efficiency and effectiveness.

The Audit Commission has determined these two criteria as those necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2014.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Authority had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance on the specified criteria published by the Audit Commission in October 2013, we are satisfied that, in all significant respects, Three Rivers and Watford Shared Services Joint Committee put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2014.

We certify that we have completed the audit of the financial statements of Three Rivers and Watford Shared Service Joint Committee in accordance with the requirements of the Audit Commission Act 1998 and the Code of Audit Practice issued by the Audit Commission.
