F.a.o. Claire May, Principal Planning Officer,

Dear Clair,

The HA is an executive agency of the Department for Transport (DfT). We are responsible for operating, maintaining and improving England's strategic road network (SRN) on behalf of the Secretary of State for Transport.

The HA will be concerned with proposals that have the potential to impact the safe and efficient operation of the SRN.

We have reviewed the documents and have no comments to make.

Regards
