Subject: CIL Draft Charging Schedule

Dear Claire,

Thank-you for consulting Watford Borough Council on Three River's CIL Draft Charging Schedule. The council considers that the Draft Charging Schedule has been prepared in accordance with the regulations and guidance. We agree with the levy rate - the levy proposed at Watford is the same as Area B at Three Rivers, which adjoins Watford in the north.

I would be grateful if you would notify Watford Borough Council of submission and following receipt of the examiner's report.

Kind Regards,

Catriona Ramsay
