**PR05/16 LOCAL DEVELOPMENT SCHEME**

This report seeks Members' approval for the revised Local Development Scheme as required by Section 15 of the Planning and Compulsory Purchase Act 2004 (as amended by the Localism Act 2011).

Councillor Martin Trevett, seconded by Councillor Ann Shaw, moved the recommendation that the revised Local Development Scheme (LDS) as set out in Appendix 1 to come into effect from 14 June 2016.

A Member asked if the first consultation period with respect to the Core Strategy (Review) and Site Allocations (Review/Update) could be moved as it would conflict with the purdah election period. Officers agreed they would avoid this period and the consultation period would be held in February/March 2017.

RESOLVED:

Approved the revised Local Development Scheme (LDS) as set out in Appendix 1 (with consultation period amended to avoid purdah period) to come into effect from 14 June 2016.

**PR06/16 CONSIDERATION OF AN ARTICLE 4 DIRECTION TO REMOVE PERMITTED DEVELOPMENT RIGHTS**

This report sought Members' approval to proceed with an Article 4 Direction to remove permitted development rights in relation to the conversion of office space (Use Class B1a) and light industrial (Use Class B1c) to residential (Use Class C3) on three of the employment sites allocated in the Council's adopted Local Plan.

Officers circulated around some proposed amendments to the recommendations which included adding the following additional recommendation:

Approved a notice period of 12 months, prior to the Article 4 Directions (outlined in Recommendations 1 and 2) taking effect.

Councillor Sara Bedford moved, duly seconded, one further amendment as follows:

- 1) To review the need for an Article 4 Direction in other parts of the District, including the Leavesden area, as part of the Council's Annual Monitoring Report.

Councillor Ralph Sangster moved, duly seconded, a further amendment to consider submitting a separate application for the Rickmansworth area as a secondary application with further details and feasibility being provided for the next meeting.

**RESOLVED:**

1. Approve the making of an Article 4 Direction at the earliest possible date to withdraw permitted development rights for office (Use Class B1a) to residential (Use Class C3) on each of the three Employment Site Allocations at:

Croxley Business Park-site ref: E(a),  
Tolpits Lane-site ref: E(b),  
Maple Cross/Maple Lodge-site ref: E(d).

2. Approve the making of an Article 4 Direction to withdraw permitted development rights for light industrial (Use Class B1c) to residential (Use Class C3) at Tolpits Lane-site ref: E(b). 7. To consider submitting a separate application for the Rickmansworth area as a secondary application with further details and feasibility being provided for the next meeting.

**PR07/16 CROSSOVER POLICY**

Members thanked the Officer for the report and the efforts in simplifying the process but considered more work was required.

Members raised concerns regarding the need to reapply once a new occupier moved to the property, should the consent not be tied with the land? Concern was expressed at the planning fee but the Case Officer confirmed this was a nationally set planning application fee. Members had concerns that residents were expected to maintain their crossovers.

Members asked how many crossovers there were in the District. Members were also concerned as to the number of unauthorised crossovers in the District and if this process would be applied to them?

The Officer confirmed TRDC currently have 24 crossovers with a licence. This procedure would be applied retrospectively to these existing licence arrangements. If Officers were notified of unauthorised crossovers on TRDC land members of the Asset and Property team would investigate.

The Chief Executive advised the Committee that they should be considering covering the Council's costs for maintenance work and acknowledged that some residents are enjoying the benefit of the crossover without any charge. Members could consider looking at the cost per sqm and looking to budget for an annual payment (by direct debit) which could be transferred if the owner sold the house. If a resident failed to pay for the licence it could be revoked. Members asked that any further comments be sent to Kimberley Rowley and Lyn Ware.

Councillor Stephen Cox, seconded by Councillor Stephen Giles-Medhurst, moved that the report be deferred to the July meeting and that the points raised be considered in the report.

RESOLVED:

That the report be deferred to the July meeting.

## **PR08/16 SUMMARY OF THE FINANCIAL OUTTURN FOR 2015/2016**

This report shows the 2015/16 outturn position for both revenue and capital. The report also makes the following recommendations:-

- to carry forward to 2016/17 unspent revenue budgets and;
- to re-phase those capital budgets that require completion in 2016/17.

A key feature of reporting the outturn for the financial year is to compare it against the latest budget which provides an indication of the accuracy and robustness of financial control and the achievement of the strategic objective to manage resources to deliver the Council's strategic priorities and service needs.

With regard to appendix 3 of the report, Members requested a representation of the appendix particularly relating to the outturn and asked that this be circulated by the end of the week.

The Conservative Group wished to abstain from voting on the recommendations.

RECOMMEND:

- 1) That the net direct cost of services variance at Appendix 1, the supplementary figures at Appendix 2 and the overall revenue outturn and general fund balance at Appendix 3 be noted.
- 2) That the capital outturn position as summarised in Appendix 6 be noted.
- 3) Approval to carry forward the unspent service budgets from 2015/16 to 2016/17 which total **£406,900** as detailed at Appendix 5.

- 4) Approval of the re-phasing on capital projects from 2015/16 to 2016/17 which total **£2,346,885** as detailed at Appendix 6.
