

Dear

**Re Thrive tenants drop in surgery**

**CD 6.9(viii)**

We are pleased to inform you that Home Group will be delivering two drop in surgeries in July. We would like to give you the opportunity to come along to ask questions you may have about the new affordable housing to be provided and the move process as part of the South Oxhey Initiative.

The drop in surgeries will take place **at the Watford Rural Parish Council offices, Oxhey Drive, South Oxhey WD19 7SB on the following dates and times:**

**Thursday 21<sup>st</sup> July 2016, 10.00am – 3.00pm and  
Wednesday 27<sup>th</sup> July 2016, 3.00pm – 7.30pm**

We will also have a member of Three Rivers District Council present for those tenants that may have questions or concerns about the process to move into alternative accommodation or stock within the district.

As I was able to meet with most tenants last June to establish housing and medical needs, these surgeries will not provide information on housing allocations at this stage. Towards the end of the year we will provide detailed information on flat types and drawings as part of the allocations process.

You do not need to book appointments for these surgeries so please try to come along during the times provided. If you are unable to make any of the above dates and times, please do not hesitate to contact me on 07921 472 988 or email [davina.imbuldeniya@homegroup.org.uk](mailto:davina.imbuldeniya@homegroup.org.uk) if you have any questions

Three Rivers District Council and Home Group are committed to supporting you through this process and our aim is to provide you with information that will enable you to make informed decisions about your future.

I look forward to meeting you.

Yours sincerely
