## Annex 1 - Mandatory conditions

1. No supply of alcohol may be made under the premises licence:
  - (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
  - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
2. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
3. (1) The premises licence holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.  
(2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.
4. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.
5. For the purposes of the condition set out in paragraph 4 —
  - (a) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
  - (b) “permitted price” is the price found by applying the formula —
$$P=D+(D \times V)$$
where —
    - (i) P is the permitted price,
    - (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
    - (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the VAT were charged on the date of the sale or supply of the alcohol;
  - (c) “relevant person” means, in relation to premises in respect of which there is in force a premises licence —
    - (i) the holder of the premises licence,
    - (ii) the designated premises supervisor (if any) in respect of such a licence, or
    - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;
  - (d) “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
  - (e) “value added tax” (VAT) means value added tax charged in accordance with the Value Added Tax Act 1994.
6. Where the permitted price given by sub-paragraph (b) of paragraph 5 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.
7. (1) Sub-paragraph (2) applies where the permitted price given by sub-paragraph (b) of paragraph 5 on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or VAT.  
(2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.
8. If at specified times one or more individuals must be at the premises to carry out a security activity each such individual must be licensed by the Security Industry Authority.

## Annex 2 - Conditions consistent with the Operating Schedule

### a) General – all four licensing objectives (b,c,d,e):

We are a national retailer that sells alcohol as part of a broad offering of goods and services. We have held off-licences in our stores for many years and are an approved British Institute of Inn-keeping examination centre. We have written training policies and formal training programmes are in place, which ensure our people are equipped to meet all licensing objectives. All training and refresher materials are reviewed regularly and are currently being rewritten to reflect the requirements of the new Act. We have introduced our ‘think 21’ policy to all of our stores in July 2004. This policy is brought to customers’ attention through point of sale material at the checkout and wherever alcohol is displayed for sale. We take legal compliance very seriously and in addition to local training we employ a

central alcohol licensing compliance manager and have a compliance committee. All the measures that we currently have in place during licensed hours would continue to be in place during any additional hours that alcohol would be sold in store.
