1. Summary

1.1 To appoint Members to the Planning, Regulatory Services, Licensing, Infrastructure, Housing and Economic Development, Leisure, Environment and Community, Audit and Council Tax Setting Committees in accordance with Council Procedure Rules 26 and 28, and the Local Government and Housing Act 1989.

2. Details

2.1 The Council has agreed that the Planning, Regulatory Services, Licensing, Infrastructure, Housing and Economic Development, Leisure, Environment and Community Audit and Council Tax Setting Committees should be appointed with terms of reference as set out in the Council's Constitution. Council is advised that no Member of the Policy and Resources Committee may sit on the Audit Committee.

2.2 Section 15 of the Local Government and Housing Act 1989 determines that appointments to the above bodies should be made in the following priority order:-

Not all seats on a body can be allocated to the same political group.

The majority party must have a majority on each body.

The total number of seats on committees should be allocated in the same proportion as members of the group on the authority bear to the total membership of the authority.

Subject to the above, seats should be allocated on individual committees as far as possible in the same proportion. (Roundings in the calculations inevitably mean that some adjustments have to be made.)

2.3 Regulation 8 of the Local Government (Committees and Political Group) Regulations 1990 (SI 1990 1553) states that to qualify as a political group there have to be at least two members in that group.

2.4 Members can agree alternative proposals that should be circulated prior to the meeting. These must conform to the rules above or be agreed by the Council with no dissent.
