Dear Ann,

Croxley Green Neighbourhood Plan Examination

Thank you for the list of questions and initial findings requiring remedial action which accompanied your email to Claire dated 30 July 2017.

Given the matters you have raised will require actions on the part of this Council, it is considered appropriate that your examination of our Neighbourhood Plan is suspended to allow time for the matters to be addressed.

In regard to the specific points raised, I will write further to you again shortly.

Regards,

David Allison
Clerk to the Council
