## INTRODUCTION

The progress of this service plan will be monitored in the following ways:

- Through regular discussion at departmental management team (DMT) and Section Heads meetings and logged in the version control section of this document
- Performance indicator monitoring by the Council's Management Board on a quarterly basis
- By Committee reports twice a year (at the end of quarters two and four)

Service Plans will be formally updated on an annual basis, taking into account internal and external influences arising from monitoring arrangements throughout the year.

## 2.1.2 Performance indicators

[See Data Quality Strategy for further details](#)

Performance indicators are used to aid the decision making process as well as assess the efficiency and effectiveness of service delivery. The data that we use must be accurate, reliable and timely. To meet these requirements we have adopted the Audit Commission's Standards for Better Data Quality. Further details of the Council's commitment to data quality can be found in the Strategic Plan.
