Dear [REDACTED]

Thank you for meeting with me on Wednesday 28th November 2018 to view the proposed site for a play area situated behind Rickmansworth JMI School.

In relation to crime prevention and community safety I am unable to support this proposal. The Rickmansworth Safer Neighbourhood team who police the area have substantive concerns regarding anti-social behaviour, drug use and several serious assaults which have taken place there. The site has no natural surveillance and is not well lit or accessible by emergency vehicles.

Please contact me if you require any further information.

Kind Regards,

[REDACTED]
