- The style of the operation will not differ greatly during the extended hours.
- Where appropriate non-alcoholic refreshment will be available during this period.

The premises will respect Spirit Group’s Approach to Responsible Drinking (a copy of which is attached). Our policies change at regular intervals to reflect current trends and it would be inappropriate to standardise them on a permanent basis.

- A zero tolerance towards illegal drugs will be enforced at all times.
- If a disc jockey is used on any night then he/she will ask customers to leave quietly.
- If a CCTV System is installed at this site, it will continue to operate during the additional hours of trading and notices will be displayed.

- Public safety is integral to the way the Spirit Group runs its businesses and is reviewed regularly through our health and safety policy. This policy is fully briefed and trained to all managers and staff and we will continue to train our staff to the standards required by relevant legislation. Free drinking water will be available at all times.

d) The prevention of public nuisance:

- Additional patrols will take place by members of staff, internally and externally, to limit noise pollution when entertainment is being offered within the premises.
- If appropriate, notices will be displayed asking our customers to respect our neighbours when leaving the premises.

- Where already used text and radio pagers will continue to be used for the additional hours of trading and will be monitored by a responsible member of staff.
- Soft drinks and non-alcoholic refreshment will be available during any period after the cessation of the supply of alcohol if the premises are still open.
