

## **CHORLEYWOOD HOUSE ESTATE GRAZING CONSULTATION 2019**

The Countryside Management Service is working in partnership with Three Rivers District Council to bring grazing cattle to North Hill Field at Chorleywood House Estate Local Nature Reserve.

**You have the opportunity to contribute towards the grazing briefing document.**

A briefing document has been produced which outlines the reasons for grazing North Hill Field and how we plan to do it. You are invited to comment on this and we will use the feedback received to develop the forthcoming plan.

To view the briefing document visit:
