## APPLICATION FOR OF A NEW PRIVATE HIRE DRIVER'S LICENCE

TOWN AND POLICE CLAUSES ACT 1847  
LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976

### When completing this form please:

- Answer every question; failure to do so will invalidate your application

### Important information:

- Please read our Hackney Carriage and Private Hire Policy BEFORE completing the form and applying.
- The application fee for a 3 year licence is **£421**.
- Should you have been living in the UK less than **five years** a certificate of good conduct for both driver history and criminal history will be required in addition to your DBS.
- New applicants are required to provide their DVLA driving licence card, a valid passport and proof of the National Insurance Number, in addition to any other required documentation for us to verify their DBS application.
- Evidence of an applicant's right to reside and work in the UK is also required. Licences cannot be issued for a period longer than an applicant's right to reside and work in the UK.
- A criminal record or other information will not necessarily bar you from continuing as a licensed driver unless this authority considers that the information renders you a not fit and proper person. The nature of offence and/or surrounding circumstances will be taken into account when making a decision. Any DBS certificate must be submitted to licensing to be photocopied and recorded. The certificate will be kept in the strictest confidence whilst the application is processed. It will be retained for no longer than is necessary. Delay in bringing in the certificate will ultimately delay your application.
- The Council reserves the right to require a medical from the licensee/applicant at any time on notification or suspicion of any changes in mental or physical health. Please note that a medical report is only valid for 3 months from the date that the GP has signed it. Therefore if you have not completed the application process within 3 months you may need to obtain a letter from your GP confirming that your medical fitness has not changed since the issue of the medical report.
- If an applicant does not complete the application process within 6 months without any liaison with licensing, the application will be rejected and a partial refund processed.
- It is the applicant's responsibility to ensure they are contactable and liaise with Licensing Team in regard to progressing the application.
- In the avoidance of doubt, it is unlawful to drive a licensed vehicle without the appropriate licence and doing so could lead to prosecution.
