APPLICATION FOR RENEWAL OF A PRIVATE HIRE DRIVER'S LICENCE

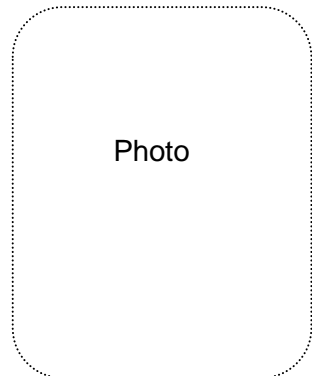

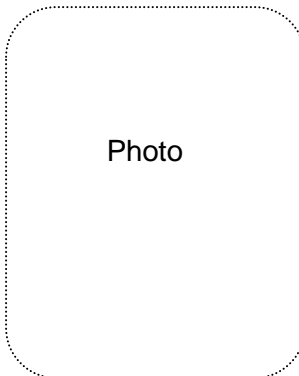

**TOWN AND POLICE CLAUSES ACT 1847
LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976**

Important information:

- **Fee: £386.50**
- **ENHANCED DISCLOSURE AND BARRING SERVICE CERTIFICATE:** A criminal record or other information will not necessarily bar you from continuing as a licensed driver unless this authority considers that any conviction(s) renders you not a fit and proper person. The nature of offence and/or surrounding circumstances will be taken into account when making a decision. Disclosure information from the DBS will be sent to the driver applicant directly. Any DBS certificate showing offences must be submitted to licensing to be photocopied. The certificate will be kept in the strictest confidence whilst the application is processed. It will be retained for no longer than is necessary. Delay in bringing in the certificate will ultimately delay your application. Failure or delay in providing this certificate may result in suspension or revocation of your Private Hire driver licence.
- **GROUP 2 MEDICAL REPORT:** Licence holders are required to have a Group 2 medical at their own expense with the GP with whom they are registered every 3 years. Licence holders over 65 and also those that are insulin dependent are required to have an annual Group 2 medical. Medical forms are available to download from our website or can be collected from reception. An application to renew a Private Hire Driver's Licence will not be considered for anyone in this category, unless a medical form, completed by his/own registered general practitioner doctor accompanies the application. The Council reserves the right to require a medical from the licensee/applicant at any time on notification or suspicion of any changes in mental or physical health.

All licences must be renewed BEFORE their expiry date, as shown on the licence. Until all checks have been received back satisfactory, a licence will not be issued. Therefore it is imperative that the application is made at least 6 weeks before the expiry date.

Any application to renew a licence that has gone beyond its expiry date will be considered a new application. In the avoidance of doubt, it is unlawful to drive a licensed vehicle without the appropriate licence and doing so could lead to prosecution.
