HOUSING

IHED19/20 HOUSING ALLOCATIONS POLICY

The Committee was asked to vote on the recommendation contained in the report. This was to clarify the ambiguity that resulted voting during the previous

meeting of the Infrastructure, Housing and Economic Development Committee on 11 August 2020.

On being put to the Committee the recommendation to proceed with the consultation was declared CARRIED by the Chair of the meeting, the voting being 6 For, 4 Against and 0 abstentions.

RESOLVED:

That the Committee agreed the recommendation to submit the updated Housing Allocations Policy to public consultation prior to its return to the Infrastructure, Housing and Economic Development Committee later in the year.
