## **APPLICATION FOR GRANT OF A PRIVATE HIRE OPERATORS LICENCE**

### **LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976**

**Please ensure that you submit all the relevant documents as listed on the checklist at the end of this application form.**

**Fee:**

<b>Private Hire Operator Grant / Renewal</b>	<b>1 Year</b>	<b>5 Year</b>
1 Vehicle	£194.50	£973.50
2 – 4 Vehicles	£256.00	£1,280.00
5 – 10 Vehicles	£348.00	£1,740.00
11+ Vehicles	£363.00	£1,816.50

**Important information:**

- Please read our Hackney Carriage and Private Hire Policy
- Applicants for private hire operator licences are required to pass the private hire operator knowledge test.
- Should an applicant have been living in the UK for less than five years, a certificate of good conduct for both driver history and criminal history will be required in addition to a basic disclosure certificate.
- Any basic disclosure must be less than 3 months old when submitted to the Council.
- The existence of a criminal record or disclosure of other information will not necessarily stop a person from being granted a licence. The decision will be based on the policy on criminal convictions and behaviour.
- All applicants are required to provide evidence of their right to reside and work in the UK.
- The operator must maintain an office within the Three Rivers District Council area for the period of the licence.

Once the relevant paperwork has been submitted along with the appropriate fee, and the applicant(s) has passed the private hire operator knowledge test, we will arrange a visit to the proposed premises address which must be located within our district.

We will also carry out a local police check on all applicants. Only once all procedures and checks have been carried out and are satisfactory will we issue a licence.

**Renewals:**

You should apply to renew your licence at least six weeks BEFORE it runs out. If your operator's licence has expired, you CANNOT operate as a private hire operator.

**Notes****Name of proposed new operator business**

Applicants for operator licences cannot use the same (or similar) name as any private hire firm currently operating within the district or any previously used within the district and registered by the operator at Companies House

**Address of proposed new operator business**

Operators must have a base and facility to take phone calls and record bookings. This can range from a commercial office to the back bedroom of a domestic premise. In order to obtain an operator's licence for Three Rivers the operating base (that is where the telephone is answered and bookings are taken) must be within the district of Three Rivers.

**Public liability insurance**

Public liability insurance is required by any operator who allows members of the public on to the operator premises named in Section 1 of the Application for an Operator's Licence. This insurance is to cover the operator's liability to pay damages to members of the public for death and injury or damage to property or possessions, which has resulted from them being on the premises. If you have a waiting room for customers you will need to submit your public liability insurance certificate with the application form. If you are not sure if you require this insurance, then contact the Licensing team.

**Planning permission**

Provided your operator's address does not become a base for the parking of other taxis, or a control centre for the running of a taxi business, then no change of use occurs and planning permission would not be required. This provision only applies for one vehicle. If circumstances change or your business increases you must contact the Planning Department on 01923 776611.
