DO NOT USE FOR DETAILED DESIGN.

All dimensions and levels to be checked on site by contractor prior to preparation of shop drawings and commencement of work on site.
Dimensions MUST NOT be scaled from this drawing.

This drawing and the copyrights and patents therein are the property of the Architect and may not be used or reproduced without consent.

This drawing is to be read in conjunction with all relevant consultants and/or specialist's drawings/documents and any discrepancies or variations are to be notified to the Architect before the affected work commences.

All works on site are to be carried out fully in accordance with current CDM regulations and recommendations, current Building Regulations, British Standards and Codes of Practice as appropriate.

 - Floor Level to Datum
 - Structural Ceiling Height
 - False Ceiling Height

Notes:

This plan should only be used for its original purpose. SV Surveying Ltd accepts no responsibility for this plan if supplied to any other party other than the original client.

All dimensions / levels should be checked on site prior to design and construction.

The position of electrical points cannot be guaranteed due to access or other restrictions.

Drainage information (where applicable) has been visually inspected from the surface and should be treated as approximate only.

Tree information (where applicable) has been surveyed from ground level and therefore should be treated as approximate only.

Doors and windows positions have been measured to the structural opening wherever possible.

The survey has been fixed to an arbitrary grid.
