Freddie,

Please find attached comments from the Environment Agency for your attention.

The EA are currently **objecting** to this application – they request that the applicant provides them with the full version of the DQRA and Contaminated Land report and the modelling input files used in section 7 of this report.

I was asked to ensure that only the summary document was available to view publically and I had understood that yourself or the applicant had provided relevant consultees with a copy of the full report?

Please can you confirm the position.

Kind Regards

Claire Westwood
