Hi Tim

As you are aware I am in the process of appointing a hydrogeologist following the resolution of the Planning Committee to defer the application.

Whilst there is a DQRA Summary Report online, the full DQRA is not publically available to view and I have previously confirmed to you that I would not share this. However, I think that it is essential that it is reviewed by our appointed hydrogeologist.

I would therefore be grateful if you would confirm by reply that you are happy for me to share the full DQRA report with our instructed hydrogeologist on the understanding that they do not share the document further.

I look forward to hearing from you.

Kind Regards
Claire
