Hi Claire,

Regarding the outstanding response from HE. Our client appreciates that HE are likely to be under pressure, but has asked if the LPA could seek to make contact with senior officers at HE to follow up on the formal response (particularly given the time that has elapsed, lack of response to the LPA's previous chasing and which its purpose is to confirm that which has been previously been communicated). We would be very grateful if the response could be prioritised by HE in order to enable this to move forward.

Many thanks

Tim
