Hi Claire,

Please see the attached updated Air Quality Assessment which has been corrected following your email below.

Many thanks,

Freddie Clarke

Freddie,

It has come to my attention that figure 1.1 (Site Location) within the BWB Air Quality Report incorrectly labels the A412 as the M25.

Please can this be corrected in order to avoid confusion. Can the author of the report please also review and confirm that all other parts of the report are accurate.
