Good morning Richard,

I was off last week and so just catching up on my emails. Please see below confirmation that Ben Firmin is satisfied with the Summary DQRA and the Piling Method Statement and Risk Assessment.

Regards,

Adrian

Hi Adrian,

Please accept my apologies for the delay in providing a response.

I have reviewed the Summary DQRA and the Piling Method Statement and Risk Assessment.

I have no comments to make from a human perspective.

Kind regards,

Ben

Dear Ben / Keira,

Please find attached the Summary DQRA (suitable for public domain) and Piling Method Statement and Risk Assessment (PMSRA) (also suitable for the public domain) for review / comment.

A **confidential** detailed DQRA has also been prepared for the Site which can be issued for review; however, it would be greatly appreciated if you could both please confirm that this document will not be placed in the public domain prior to me issuing this document?

These reports have been provided in anticipation of our Client's intention to resubmit for planning today.

Kind regards,

Adrian
